

Bike Maintenance & Accessory Subsidy

The SNTMA has limited funding to subsidize maintenance and accessories for commuter bicycles. There are six \$100 bike maintenance and accessory subsidies available each month. This subsidy cannot be combined with other SNTMA bike subsidies.

Register in Sacregion511.org with your work email and complete your trip log in order to be eligible to apply.

The first two business days of the following month one can click the redeem button in their Sacregion511.org dashboard.
