

EMERGENCY RIDE HOME

This program provides employees who rideshare two or more days per week and experience a mid-day emergency, or who have to work unexpected overtime, with a **free emergency ride home** using a taxi or rental car service up to 6 times per year.

Emergency Ride Home vouchers are accessed through the Commuter Club.

CAPITAL IMPROVEMENTS

The Capital Improvements Project (CIP) and Major Capital Improvements Project (MCIP) subsidies are for improvements to properties that will assist SNTMA members with their commutes.

Bike Programs

BIKE MAINTENANCE AND ACCESSORY SUBSIDY

This program is designed to promote and support bicycle commuting. The SNTMA has limited funding to subsidize maintenance for commuter bicycles. There are **six \$200 bike maintenance and accessory subsidies available each month.**

OFFICESHARE BIKE

This program is designed to promote cycling for commuting and errands. **Every year the SNTMA gives 10 member companies a folding bike.** Once the OfficeShare Bike is awarded to the SNTMA member company, the bike belongs to the member company.

BIKE TO WORK DAY

In **May**, the SNTMA hosts the annual Bike to Work Day Breakfast. May is Bike Month t-shirts and socks are available while supplies last. A mechanic from the Natomas Bike Shop is on hand to perform free, minor repairs on bikes of SNTMA member companies.
