

Bucks for Bikes

\$500 or 90% of the cost of the bike!

Each person who receives a bicycle subsidy will participate and log their cycling miles at NorCal.org

Electric bike and scooter purchases are eligible. 2026 Deadline for Bucks for Bikes applications is Friday 5/29/26.

To Apply for the Bucks for Bikes Subsidy

1. Visit the Natomas Bike Shop for a quote.
2. Complete the Bucks for Bikes Subsidy Program Application.
3. Return the completed, signed application and a bike shop quote for a new bike or scooter to the SNTMA by emailing stephanie@sntma.org
4. If your application is selected, you will have 60 days from the day of notification to return a receipt or bill of sale to the SNTMA verifying the purchase of the bicycle.
5. If selected to receive a subsidy, you may purchase a different bicycle than the one submitted for the quote. The subsidy will be 90% of the purchase price, not to exceed \$500. For example, a \$500 bicycle will receive a subsidy check for \$450 (90% of \$500).
